## MEET THE HB TEAM

### SUE WHEELER, ACTING EDITOR

*How did you start in home and interiors magazines?*

"Having written for and edited women's lifestyle mags for many years, I was lucky enough to combine that experience with my passion for homes and interiors."

*What is your favourite section of HB?*

"The homes, as I'm incredibly nosy and love being inspired by people's furniture and design ideas."

*Tell us about your own home-decorating style.*

"I mix old furniture with contemporary style and combine neutrals with a flourish of duck-egg blue and teals. I love prints too; a Swedish sofa I had recovered in a Matthew Williamson design is a cherished piece. But I also dream of an all-white home – I think I need a beach house."

*Where is your dream Australian destination?*

"I'd like to visit Kakadu as I've never been."

*Do you have any DIY projects you are working on?*

"I'm restoring and restyling a beautiful old sideboard – that probably would have gone to landfill. During lockdown last year I started my side business – @bristleandtint – creating one-off pieces of furniture."

*Where's your favourite place to relax at home?*

"In bed with a cup of tea on Sunday morning, enveloped in our new super-king quilt and Bed Threads linen."

*What would you cook from our 'Entertain' pages?*

"I'd like to eat more fish so the whole roasted fish with sauce gribiche, which looks delicious!" (page 146)
